What can I expect, if I attend?

PUB 2015 will feature technical seminars, on-site vendors, judging, expert mechanics available to give advice on attendee cars, attendee swap meet, group dinner, group photo shoot; to name a few.

This will not be a formal event, the shop is not high-tech. You will learn techniques and procedures which you can perform yourself without expensive equipment. You will be free to wander in and out of presentation as you wish. Sidebar discussions and gatherings are common depending on your individual needs and interest.

There will be plenty of things to see and touch. Time will be set aside for spontaneous questions and answers.

Dress is casual, as most of the activities will take place outdoors.
