*I recommend you choose your accommodations in this area or in the area of Niagara on the Lake for the night.*

*We can meet for breakfast and then leave for a 2 to 3 hour drive with a lunch break in the Niagara area (on the Canadian side) before everyone heads back home. Some folks might like to drive home together as a caravan.*

*The above are proposed activities by all means let me know if you have any other or better ideas. We have someone that will plan a road trip for us. Information later*
