

# Sandhills Motoring Festival Invitation – Pagodas in the Pines

The Pagoda SL Group has been invited to join the Sandhills Motoring Festival May 26-28<sup>th</sup> 2023 in Pinehurst, North Carolina. The festival is a weekend-long event featuring a Block Party, Cars & Coffee, Road Rally, Backroads Pottery Tour, Hangar Party, Gala Dinner, and culminates with the Sunday Concours in the Village. Events take place in and around the charming golf course community of Pinehurst, NC.

While **not** an officially sponsored Pagoda SL Group event, we have been asked to attract 30 Pagodas to the event to participate in activities along with MBCA, Porsche, BMW, Ferrari, and other car clubs. The Sandhills Motoring Festival has its own organizing committee and online registration process. We will be closely aligned with the Mercedes-Benz Car Club of America's local Triangle Section, and have joint activities planned with them. They have participated at Sandhills in the past and are well organized. We are looking to have 20 Pagodas on display with 8-10 for judging. We will have our own designated display area in the shady pines off the Village Square – “**Pagodas in Pines**”

**Registration:** All participants must register online in advance of registration deadline. Registration will be through the Sandhills Motoring Festival website: <https://www.sandhillsmotoringfestival.com/>

Events and activities are a la carte, so you may pick and choose what you would like to participate in. If you would like to participate in all events, please feel free to do so.

If you would like to participate in the Sunday Concours in the Village, you must fill out the Concours application on the SMF Website. There is a dedicated Pagoda class if you would like your car to be judged in the main event.
