My name is John Rothschild and I own a 1970 280 SL. I am also a full member of the 113 Pagoda Group. I live in Toronto.

I came across your name by coincidence and see that you are organizing a group to participate at the Cobble Beach gathering in mid September. I have been thinking that I would like to participate in the show with my car and am wondering if you can give me any more information as I know nothing.

My car is in very good shape and should easily be able to drive to Cobble Beach. Exterior color is blue with bone interior. I will attach a photo. Any guidance you can give me would be appreciated. Thank you,

John Rothschild

Hi John,

Sorry for the delay in getting back to you, I just purchased a new iMac and was busy for a couple days getting it going since Apple Stores provide very little help right now when one purchased something in getting it all set up.

Yes I was trying to get a group of Pagoda Members organized for the Cobble Beach September event. However, it is quite a task to do so. People simply do not respond to e-mails or questions. I organized last years Niagara outage and in the end it turned out a very nice trip, only it was quite a task to get it all organized.

I tied last year to organize the Cobble Beach even, only it was cancelled due to Covid.

So I tried this year again and I must say it is quite frustrating, see for your self if you review the links below.

Here is my original link for September 2022.

John when this link opens scroll down to REPLY # 4

All I can suggest now is that each member make there own plans if they wish to attend any of the events. I too have tickets (that are not refundable) for the events "Cars, Planes and Coffee" on September 17/22 as well as the "Concourse" event on September 18/22. I don't know at this time if or if not will attend.

Here is the main link for you that was posted some time ago,

Cars that will show on the Concourse on Sunday will take a road trip (see attachment) my suggestion would be to meet them when they arrive at the Bruce Visitor Centre (see Map), between 11:30 and Noon to see this cars arrive. It promises to be quote a show. Two of our members plan to be part of the concourse Peter J. With his nicely restored Pagoda and High R. With his just acquired red Ferrari. (I might drive up for that one in my Pagoda or daily driver)

Cars, Planes and Coffee at the Wharton Keppel International Airport (see attachment).

Sunday September 18, Concourse d' Elegance at Cobble Beach. I think there will be signs posted for visitors to park in a farmers field. One of our members that lives up there meet with the owner of Cobble Beach and arranged for 10 Pagodas to park in a special location on site for \$50- we had to forgo this since less then 10 members are interested.

John, see the attachments below. I will add this too the EVENT forum area, just in cace others have similar questions. The idea here is that others that are still planning to go contact one another here on our web site to organize anything else. Like meeting at the Bruce Visitor Centre or the International Airport to plan the rest of the weekend.
