

III International Pagoda Rally

W113 Pagoda SL Klub Polska

Kłodzko Valley
14-18 August 2019

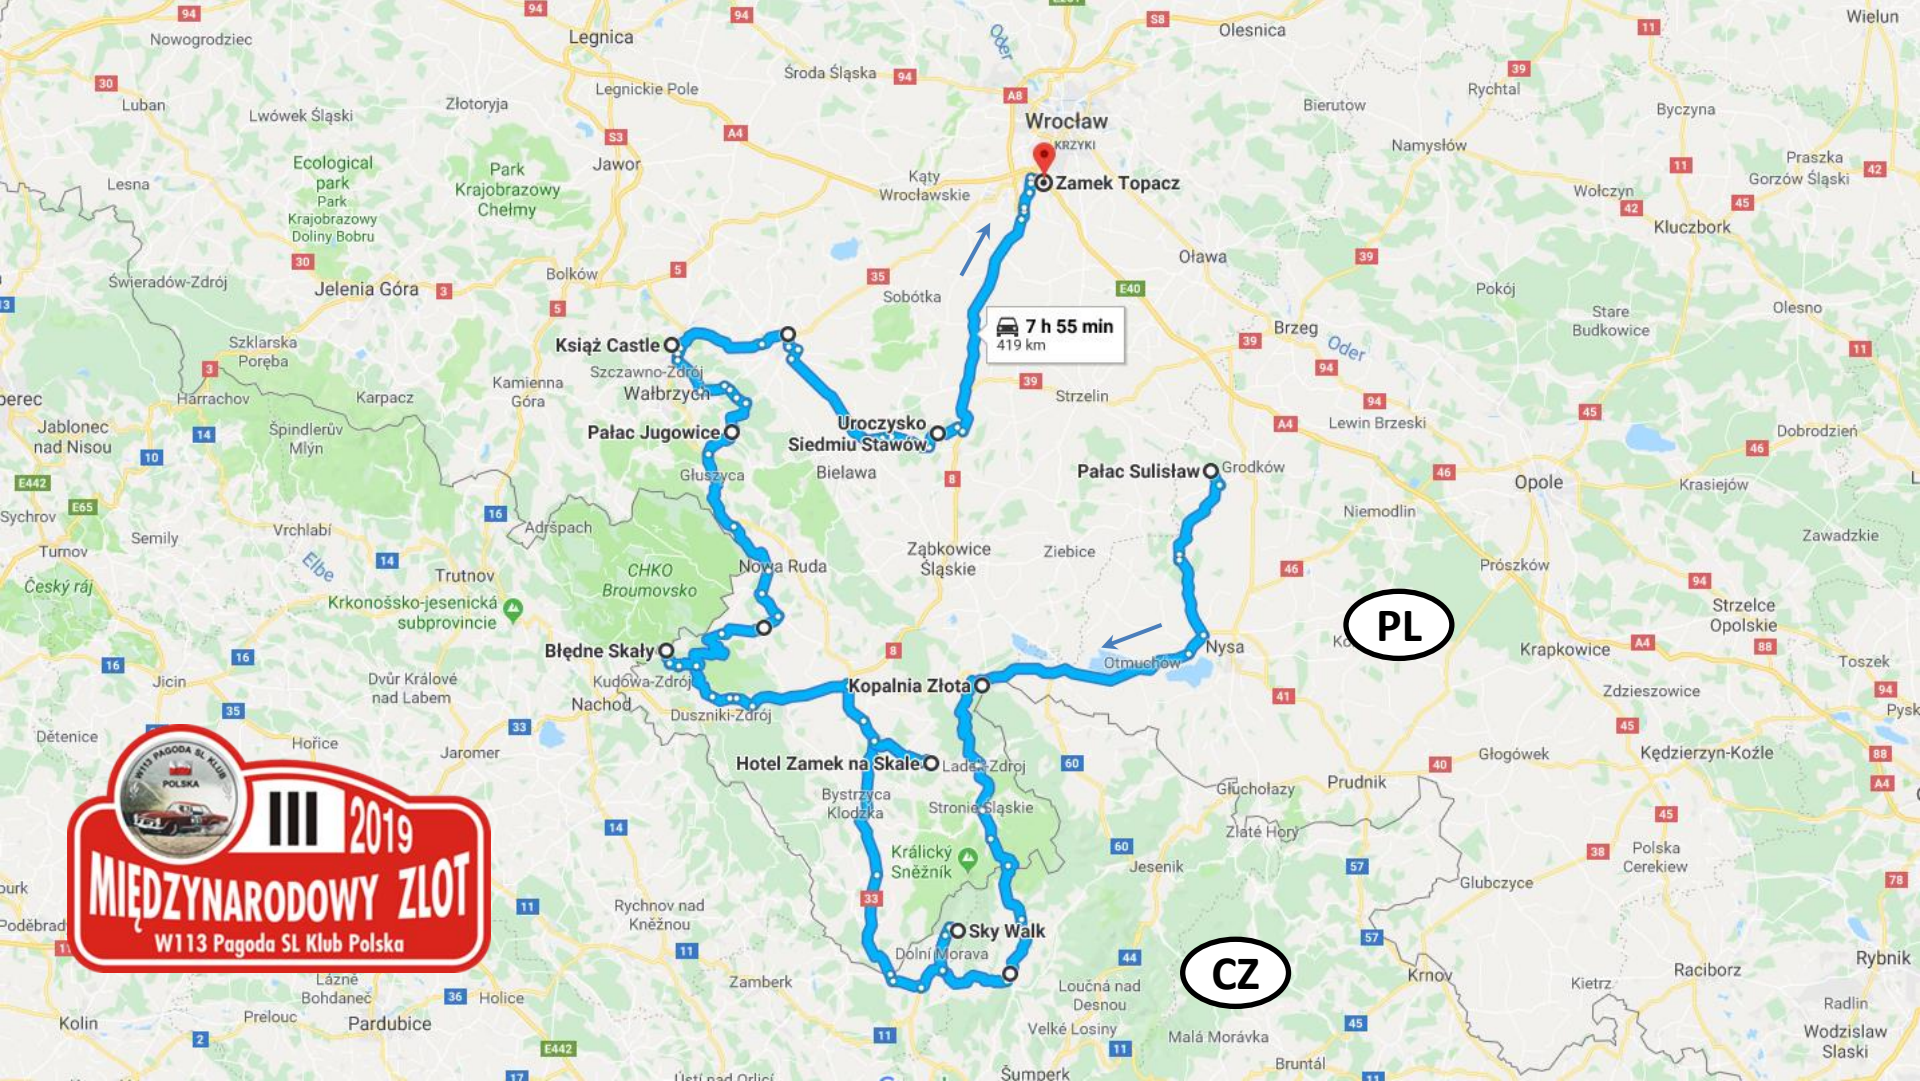

Dear Pagoda Friends!

The route of the Rally is 420 km long and leads along the picturesque roads of the Kłodzko Valley, Table Mountains and Ślęza Massif. We have prepared an attractive program including accommodation in the most exclusive castles and palaces of the region, visiting the Gold Mine, a walk in the clouds on the Czech side of the Śnieżnik Massif, a visit to the Errant Rocks – where „The Chronicles from Narnia” were filmed, guide tour in the Książ Castle and many, many more... The final moment of the rally will be a short visit to our friends at MotoClassic Wrocław in the Topacz Castle, Poland's largest outdoor event dedicated to the classic motoring. As in previous editions, the teams will take part both from Poland and from Europe.

The cost of a two-persons crew is 699 EUR and includes the cost of accommodation, food and guided tours. The crew in Mercedes W113 Pagoda have priority to participate in the Rally. The number of teams is limited. The official registration procedure starts on March 10 and will last until April 15. Below we present the route and program of the Rally, which we hope will meet your interest.

Hope to see you in Poland!
W113 Pagoda SL Klub Polska.
